**Subject:** FW: Briefing Request

Hi Anna Marie and Brian,

Would you please send me some dates/times that Scott Lloyd could do a briefing for Energy and Commerce majority staff on the 1,500 kids? Next week, June 4 would be better but if he only has times this week, that's fine.

An interesting note, one of the House staff members requesting the briefing is Josh Trent. He was ORR's Deputy Director during the second Bush Administration when Martha Newton was the Director.

Thank you,  
Scott

Hi Sean –

Sorry to bombard you with requests before the long weekend. We're getting some questions on last month's testimony that HHS had lost track of nearly 1,500 migrant children placed with U.S. sponsors. Steven Wagner (Administration for Children and Families) testified about it before Senate. Can we set up a staff briefing to get an update on this? Next week or early the week of June 4 would be ideal so we can brief the members when they return.

Briefing #2, this one for Dr. Burgess. Would you please send me another set of dates/times Scott Lloyd could do this one next week? ASL will see if they would agree to do a joint briefing with the Energy and Commerce staff but it's doubtful since this is a personal briefing for Dr. Burgess (he's on Energy and Commerce).

**Subject:** Rep. Burgess mtg request: Next week

Hi Scott,

Dr. Burgess would like to meet with someone from ORR or ACF to discuss illegal arrivals along the Southwest border. Previously, Dr. Burgess did a lot of work with ORR on how UACs were treated and has been to the border and ORR facilities numerous times. Our most recent concern was what happened to UACs when released to sponsors since many of them could not be tracked. I believe part of the problem was that it was outside of HHS jurisdiction to do so. Given recent reporting on the separation of children from their parents, Dr. Burgess would like to get an update on the situation and current detention policies.

Please let me know what you need from me to facilitate this meeting. As I mentioned, Dr. Burgess has requested that this meeting take place next week and is willing to come to HHS offices if need be. He can also be available to fly in Monday.

Thank you,

**Rachel Huggins**

Dave,

This is the draft I've referenced, which is different I think from what you had in mind. If you could share with us some ideas on how to present the language, that would be helpful.

Thank you,

Briefing #2, this one for Dr. Burgess. Would you please send me another set of dates/times Scott Lloyd could do this one next week? ASL will see if they would agree to do a joint briefing with the Energy and Commerce staff but it's doubtful since this is a personal briefing for Dr. Burgess (he's on Energy and Commerce).

**Subject:** Rep. Burgess mtg request: Next week

Hi Scott,

Dr. Burgess would like to meet with someone from ORR or ACF to discuss illegal arrivals along the Southwest border. Previously, Dr. Burgess did a lot of work with ORR on how UACs were treated and has been to the border and ORR facilities numerous times. Our most recent concern was what happened to UACs when released to sponsors since many of them could not be tracked. I believe part of the problem was that it was outside of HHS jurisdiction to do so. Given recent reporting on the separation of children from their parents, Dr. Burgess would like to get an update on the situation and current detention policies.

Please let me know what you need from me to facilitate this meeting. As I mentioned, Dr. Burgess has requested that this meeting take place next week and is willing to come to HHS offices if need be. He can also be available to fly in Monday.

Thank you,

**Rachel Huggins**

Sir,

I am appalled at how this administration is handling the influx of refugees at the US/Mexican border. Regardless of the legal issues surrounding immigration, the forced separation of children from parents and this administration's refusal to allow a thorough investigation of such actions are deplorable. Your whole process is suspect and requires an open review to ensure humane treatment of those detained. As an American citizen I'm ashamed that this administration can support such barbaric practices. We are certainly better than this.

Sincerely,

Dear Sir,  
You have seen 6 children. How would you like to have them taken from (b)(6) and you and put into cages, sleeping on the floor and separated from each other? How can you as a good Catholic treat children this way?

What are you doing to change this situation and returning these children to their rightful families?

. You should be ashamed of his your agency is treating them.  
Yours, Emily Blanck.
